

# In the footsteps of St Augustine

A short pilgrimage in Kent

Tuesday 7<sup>th</sup> – Thursday 9<sup>th</sup> July 2015

A short pilgrimage exploring the places associated with the mission of St Augustine and his followers. We will spend the first day on the Isle of Thanet in the far east of Kent and two days in Canterbury, the cradle of faith in Saxon England. The pilgrimage offers time to reflect on our Christian heritage and mission, and enjoy time together in travel, over food and in worship.

For more information please pick up a leaflet at the back of the church or speak to The Vicar or the Revd Barry Nichols
